Procedure

1. It is recommended that you assign this activity to your class prior to starting Unit 1. Give your students two weeks to complete the assignment adequately.

2. Divide your class into groups of 4 and hand out Student Worksheet 2.

3. Assign the group one of the following global corporations to research:

- General Motors
- Wal-Mart
- Exxon Mobil
- Ford Motor
- Daimler Chrysler
- IBM
- Sony
- Hewlett-Packard
- PepsiCo
- Worldcom
- Enron
- Texaco
- Nestle

Students can also choose other corporations not on this list.

4. The assignment is as follows:

Develop a profile of the corporation you have selected. Your profile must include the following:

- The corporation's logo
- Mandate
- Location of headquarters
- Countries where the corporation's products are produced
- Information on the use of child and sweatshop labour in the factories used by the corporation.
- CEO
- Date of establishment
- Recent mergers
- Type of products
- Brand names owned by the corporation
- Target audience
- Your group's analysis of the corporations track record on environmental, social, economic and labour issues.
- Any other information that would be useful for your classmates to know

Present your findings on a poster. The poster should contain the following information:

- A summary of the corporation you have chosen using the information listed above.
- An interactive aspect that engages the other students in your class (For example, a quiz on various components of the MNC.)
- Creativity! Your poster will be displayed in the class as part of a corporation tour. You need to encourage other students in your class to read your poster.
- Your group will give a five minute summary of your findings to the class later in Unit 3 of this Module.

5. In the third unit, the groups will be asked to display their poster in the class and your students will go on a corporate tour by reading the various profiles.
